

# ROLL A SNOWMAN!

Use this printable to play a fun dice game with kids!

**Supplies:** Roll-A-Snowman Printable, dice, pencils

**Play:** Print off at least one Roll-A-Snowman Printable per child. Playing in pairs or small groups, children take turns rolling the die and adding the appropriate feature to their snowman (eyes, hat, arms, etc.). If you roll a number you already have, the turn moves on to the next player. The first person to complete their snowman wins! Happy rolling!

This game is one of the many winter-themed games included in the PNO: Let It Snow Resource. Learn more about this win-win-win-win event [here](#).
